Good Afternoon everyone

Please see the attached document regarding CR-003--2025 - Resolution allowing grocery stores to sell beer and wine in our underserved areas in which our area is considered as a food desert. It is with great concern that this should not happen in these establishments with the knowing fact that our food desert area is saturated with an abundance of liquor store businesses.

Please listen to the video regarding Resolution CR-003 on the sale of beer/wine in grocery stores, once you have listen to the video feel free to respond to this email on your views or call me on 240-460- 8743.

There will be a ***Call To Action community*** meeting to discuss a plan of action regarding this Resolution. **The meeting will be held at the Birchwood City Community facility- 1331 Fenwood Avenue Oxon Hill 20745 on Thursday October 23, 2025 at 7:00pm.**

It would also, be of great help if this information can be passed on to others.

Thank You
